CAMDEN DISTRICT.
NOVEMBER SESSIONS, 1773.

IT IS ORDERED.

THAT the PRESENTMENTS of the GRAND JURY for this District, be published in the several Gazettes of this Province.

By the Court,

John N. Ogilthrope, D. C. C. & P.

The PRESENTMENTS OF

The GRAND JURORS for the Body of this District, at a Court of General Sessions of the Peace, Oyer and Terminer, Assize and General Goal Delivery, begun and holden at CAMDEN, *on the 5th of* November, 1773.

WE the Grand Jurors for the district of Camden, do make and certify to the Court the following Presentments:

I. We present as a very great grievance to the back inhabitants of this province, that there are no laws in force for compelling idle and disorderly vagrants to take some honest method for gaining a subsistence, instead of constantly hunting in the woods, and destroying Deer for their skins; especially when they do it in the night by fire light; whereby great numbers of cattle are destroyed, and the lives of people endangered.

II. We present as a Grievance, the want of more salutary and effectual laws for preventing all kind of hunting in the night time; the present laws being found, from experience, not sufficient for that Purpose.

III. We present as a Grievance, the want of a more equal and general Jury list, the present not including a great number of fit and proper persons to serve at Jurors, especially those who reside between the Wateree and Congaree Rivers, very few of whom are among the present list of Jurors for this district.

IV. We present as a Grievance, that Horse-stealing is not sufficiently guarded against by the toll-act.

V. We present as a Grievance, that the expence of clearing and preserving the navigation of the Wateree River is assessed only upon those inhabitants living within ten miles of the banks on each side of it; such inhabitants being liable at the same time, if directed by the Road Commissioners, to work on the several highways to which they belong; And as the navigation of the said River is a matter in which the province in general is interested, we earnestly recommend, that the preservation of the same may be made a public expence, especially as the clearing of the said navigation frequently endangers the lives of those slaves that are liable to work thereon, they not being qualified for that Business.

VI. We present as a Grievance, that several Magistrates in this district make a practice of marrying people, and that without a licence or publication; whereby, we apprehend, the established clergymen are defrauded of their fees, and the laws prohibiting the same violated

VII. We recommend the publication of these our Presentments in the several Gazettes of this province, and also that they be laid before the Honourable the Commons House of Assembly.

CHERAWS DISTRICT.
NOVEMBER SESSIONS, 1773.

IT IS ORDERED,

THAT the PRESENTMENTS of the GRAND-JURY for this District, be published in the several Gazettes of this Province.

By the Court,

H. W. Harrington, D. C. C. & P.

The PRESENTMENTS OF

The GRAND JURORS for the Body of this District, at a Court of General Sessions of the Peace, Oyer and Terminer, Assize and General Goal Delivery, begun and holden at the Long Bluff, CHERAWS, *on the 15th Day of* November, 1773.

I. WE present as a Grievance, the want of a vagrant act in this province, this district in particular being infested with many vagrants who do great damage, particularly by fire-hunting.

II. We present as a Grievance, that the division line lately run between this district and the district of George-Town, does not extend lower down Pedee River than fixteen or seventeen miles from the court-house; which, we humbly apprehend, was not originally intended in the division of the districts in this province, and therefore do recommend, that this matter be taken into consideration by the legislature.

III. We present as a very great Grievance, the want of a free school in this district.

IV. We present as a Grievance, the want of a law for clearing Pedee River, its navigation at present being very unsafe.

V. We present as a Grievance, the want of a Bridge over Thomson's Creek near Col. Steward's mill, and another over Black Creek near the present ferry.

VI. We present as a Grievance, the present insufficiency of the Goal of this District, by which persons confined therein are enabled to make their escape; and we do recommend that it be surrounded by a sufficient wall, at a convenient distance therefrom, to prevent the confederates of the prisoners from furnishing them with implements for breaking the same.

VII. We present as a Grievance, the want of a new Jury list in this district.

We recommend that these our Presentments, be published in the several Gazetts of this province.

A Person who is acquainted with most of the Methods of Book Keeping in Use here, and who can undertake to transact the Business of a Compting House with Accuracy, will engage with a Merchant or Merchants, who will give proper Encouragement. Enquire at TIMOTHY's Printing Office on the BAY, near the EXCHANGE, or at Messrs. Gilladeau and Lyon in Church-Street.

THE Gentlemen in this Town, to whom the *East-India Company's* TEA brought by Captain Curling, was conſigned, for Sale, upon being convinced, that the RECEIVING or SELLING the ſaid TEA in this Province, *while ſubject to the Payment of a Duty upon its being landed here, for the Purpoſe of raiſing a Revenue in America by Act of Parliament*, would be extremely diſagreeable to the Inhabitants in general, having generouſly, even ſince the 3d Inſtant (as we before acquainted our Readers) declined to RECEIVE or HAVE ANY THING TO DO WITH THE ſAID CONSIGNMENT—the Time being ELAPSED laſt Tueſday, within which the ſaid Duty was required to be paid—and no Perſon having *offered* to pay the ſame—it either became *the Duty* of the Collector of His Majeſty's Cuſtoms, or *was an Inſtruction* to that Gentleman from the Boſton Board of Commiſſioners, *to take the ſaid Tea, upon which the Duty had not been paid*, into his Charge, and to lodge the ſame in a King's Ware-houſe. Accordingly, on Wedneſday Morning, *very early*, the hoiſting out of the Ship's Hold, Delivery to the King's Officers, and Landing by *the Collector*, was begun; and the whole *Two Hundred and Fifty ſeven Cheſts* were put on Shore, carried up in Drays, ſtowed away, and locked up, in a Cellar under the Exchange, hired for that Purpoſe, with *ſo much Expedition*, that the whole was *completed*, by the Time that the People in general imagined it would be *begun*: Indeed, there never was an Inſtance here, of ſo great a Number of Packages, being taken out of any Veſſel, and thus diſpoſed of, in ſo ſhort a Time.—The Sheriff, and other Peace Officers, we hear, had particular Inſtructions given to them, in Caſe there ſhould appear a Diſpoſition to obſtruct *the Landing* of the Tea *by the Collector*, in any way that could be deemed a Breach of the Peace: But the People, though not pleaſed with ſeeing it landed at all, were perfectly quiet; as they *did*, upon the *Tea* being taken into the Charge of *the Collector*, and *do ſtill*, confidently *rely*, upon its remaining locked up, in the Cellar where it is now lodged, until Orders may arrive, after the Eaſt-India Company ſhall have received Advice of its preſent Diſpoſition, to *reſhip it* for England; or until, by a proper Attention to their Intereſt, and an Exertion of their Influence, they ſhall have prevailed upon Parliament to *repeal the impolitic and offenſive Duty*—which is *the only Thing* that can afford the Company any *flattering Proſpects*, or promote *its meditated Extention of Trade*, in America—and would at the ſame Time, put an entire and ſudden Stop to the Practice of *Smuggling*, ſo very injurious to the commercial, as well as the political Greatneſs of our Mother-Country—for, it is beyond Diſpute, altho' *this Province* is not addicted to *ſmuggling* with *Foreigners*, that, where the Americans have purchaſed *one Cheſt of Tea* that paid the preſent Duty, ſince it was firſt impoſed, they have conſumed *Fifty*, that has been procured from the *Dutch*, *Danes*, &c.—and it is moſt certain, that, could it be worth the immenſe Expence attending it, to ſtation the *whole Navy of England* to watch the Avenues to illicit Trade on this extenſive Continent, even *that* would be inſufficient.

We are informed, that the GENERAL MEETING of the INHABITANTS appointed to be on Friday the 7th of January next, is intended to be *adjourned* till after the Meeting of the General Aſſembly.

By Capt. Wallace from St. Auguſtine, we have the diſagreeable News of the Loſs of two Veſſels lately on that Coaſt. One, a Schooner called the Dove, from Africa, with about 100 Slaves on board, which went to Pieces immediately after ſhe ſtruck, in the Night of the 18th of November, about a League to the Southward of Smyrnea; the Maſter, two Seamen, and about 80 of the Negroes, were drowned, the reſt ſwam aſhore. The other was the Brigt. Eaſt-Florida Merchant, Alwara Lofthouſe Maſter, with a valuable Cargo of Dry Goods from London; after having lain a Fortnight off St. Auguſtine Bar, upon attempting to go over on the 2d Inſtant, ſhe was becalmed and ſtruck, and beat to Pieces in about 10 Days, during which time about two-thirds of the Cargo was got on ſhore, but very much damaged.—Theſe Accidents, have induced the Government of Eaſt-Florida, to order the immediate Building of two Launches, to lighten and tow Veſſels in when they arrive off St. Auguſtine Bar, which the Spaniards always had and did, while that Country was in their Poſſeſſion.

The Number of Veſſels in Port this Day, is 67; viz. 24 Ships, 7 Snows, 12 Brigantines, 13 Schooners, and 11 Sloops.

Thirteen Thouſand Pounds Weight of Indico, belonging to two Planters, were laſt Week ſold by Mr Samuel Prioleau jun. at a *Dollar* a Pound, to Moſes Lindo, Eſq; Inſpector-General, who has declared, that the *whole* Quantity is *equal*, if not *ſuperior*, to any *French* that, in the many Years Experience he has had, has gone thro his Hands, or fallen under his Obſervation.

The Prices of RICE or INDICO have not varied ſince our laſt.

Some Weeks ago, a *few Papers* were caſt off, and iſſued, before a Miſtake was diſcovered in an Advertiſement of Mr. John Remington jun. forbidding "the giving Credit to any Perſon in his Name; without a written Order from himſelf or Wife," to which the *Father's Name* was printed inſtead of the *Son's*.—and which thoſe who have ſuch Papers are therefore deſired to correct.
